

Key Vocabulary

1	Holiday	Period of rest, often spent away from home
2	Seaside	A place by the sea
3	Sea	Area of salty water (usually smaller than an ocean)
4	Ocean	Area of salty water (usually larger than a sea)
5	Cliff	A steep rock face often by the sea
6	Beach	A strip of land covered by sand or stones
7	Harbour	A place on the seaside which is sheltered, making it a good place for boats to dock
8	Lighthouse	A tower on the coast that uses a light to help ships avoid the shore/rocks
9	Rockpool	A small pool of seawater where sea creatures might live
10	Coast	The land along the sea

Key Facts

- 1 The main seas/oceans around the UK are: North Atlantic Ocean, Irish Sea, North Sea and the English Channel
- 2 Seaside resorts in the UK include: Brighton, Bournemouth and Skegness
- 3 A seaside town can have various features, including: a beach, cliff, harbour, rockpool and lighthouse
- 4 In the Victorian era, some people would also go to the seaside for their holidays
- 5 At the seaside, Victorians would do a range of leisure activities, including: watching puppet shows, eating ice cream, riding donkeys, walking along the coast, building sandcastles and 'seabathing'
- 6 Many Victorian seaside resorts are still used today
- 7 There are many similarities between holidays in the past and now (e.g. activities, food and location)
- 8 Many people will now take holidays abroad.

Key Questions for the Topic

- 1 Where do people go on holiday?
- 2 Which seas/oceans surround the UK?
- 3 Is our local area the same/different to a seaside town?
- 4 What did holidays look like in the past?
- 5 How have holidays changed?
- 6 What's the same/what's different between holidays in the past and holidays now?

Prior Vocabulary

1	Sea	A sea is a body of salt water.
2	Home	The place where I live.
3	Similarities	When something is the same.
4	Differences	When something is not the same.
5	Map	A picture or drawing of somewhere to help describe where things are.
6	Holiday	A period of time away from school/work

Prior Sticky Knowledge

1	Where I live might look similar or different to other areas
2	My home and surrounding area is familiar to me.
3	The sea is far away – I would need to travel by car/train (or similar)
4	Maps can show us land or sea. They can show small areas or the whole world.
5	The main oceans around the world

Future Learning

1.	Similarities/differences between our local area and areas in different continents
2.	The difference between an ocean and a sea
3.	How we can travel to holidays (and how this has changed over time)
4.	How climate/weather is different in different parts of the world
5.	How to use a compass to locate key landmarks
6.	Creating my own maps
