Message from the Head Teacher

As we reach the end of another wonderful school year, I would like to take this opportunity to thank all of our families for your continued support, encouragement and partnership throughout the year. Together, we have celebrated many achievements, embraced new challenges and created lasting memories for our children.

I am incredibly proud of everything our pupils have accomplished. Their enthusiasm, resilience and determination have been evident in classrooms, on the sports field, through performances and in the many enriching experiences that have taken place across the school. They have been excellent ambassadors for our school community.

I would also like to extend my sincere thanks to our dedicated staff, whose hard work and commitment ensure that every child is supported to achieve their very best.

As we look forward to the summer break, I hope all of our families have the opportunity to relax, recharge and enjoy some special time together. We wish our Year 6 pupils every success as they move on to the next stage of their education and thank them for the contribution they have made to school life.

A reminder that school will finish at 1:00 pm on Wednesday next week for the end of term. Please ensure arrangements are in place for your child to be collected promptly at this time.

Thank you once again for your support throughout the year. We look forward to welcoming everyone back in the new academic year.

Have a wonderful summer holiday.

Mr Dodd

News

Clubs

A reminder that all clubs have now finished. Friends at Play are still operating, but due to the early finish on Wednesday, there will be no after school club on that day.

FOLKS Ice Lolly

On Tuesday, FOLKS will be here during lunchtime to give all of the children an ice lolly after they have had lunch. If you don't want your child to have one, please email the office by Monday evening.

Read to the Beat!

This week Sarah from Great Missenden library came to our assembly to introduce this year's Summer Reading Challenge. 'Read to the Beat' is a fantastic free reading challenge designed to keep children reading over the summer holidays. You can take part online or at any library. Our nearest library is Great Missenden which is open on Tuesdays, Wednesdays, Fridays and Saturdays. There is also a list of brilliant new book recommendations from the Reading Challenge here:

<https://summerreadingchallenge.org.uk/read-to-the-beat-books-landing>.

We would love lots of children from Little Kingshill to take part - please bring in any medals or certificates you earn to show your new teacher in September and tell your class about the new books you have discovered!

Achievement Assembly

Week commencing 20th July ... at a glance

Monday	
Tuesday	Y6 Leavers assembly 3.15pm
Wednesday	Term finishes 1pm
Thursday	Summer Holiday
Friday	Summer Holiday

Picture News

In the news this week

People living in remote parts of the Amazon rainforest in Ecuador are using solar-powered canoes to travel along rivers. The boats use energy from the Sun instead of petrol, making journeys quieter and creating less pollution. The project is helping people travel while protecting the rainforest and has inspired other communities in the Amazon to try similar ideas.

Things to talk about at home ...

- How do you usually travel to school, work, or the shops? Why do you or the adults you travel with choose those ways?
- Can you think of any journeys that could be different to help protect nature?
- If you could invent a new way to travel that was kinder to the planet, what would it be like?

**UN Rights
of the Child**

Every child has the same rights. No matter who they are, where they live, or what language they speak, children should always be treated fairly.
