Message from the Head Teacher

Next Thursday is Sports Day which begins in the morning at 10:00am, and based on the current forecast, the recent hot spell should have eased, so we are expecting suitable weather for the event.

I must remind all families of our **strict safeguarding policy regarding photography and video recording**. Following incidents in previous years where images from Sports Day were shared on social media, we need to be absolutely clear:

If you choose to take photos or videos during Sports Day, they must *not* be shared on any social media platform. Some of our children cannot appear online for safeguarding reasons, and this rule is essential to protect them.

Please be aware that **any breach of this rule will result in appropriate action taken towards the individual, which could result in ban from attending future school events for the remainder of your child's time at the school.** We appreciate your understanding and cooperation in keeping all children safe.

You are very welcome to bring along other family members to enjoy the day and share a picnic lunch with your child or children.

I look forward to seeing many of you at the **Festival on the Field tomorrow.**

Have a lovely weekend

Mr Dodd

News

Reminder: Little Kingshill's Festival on the Field 🍷

We're looking forward to seeing you all at the Little Kingshill's Festival on the field tomorrow. A few things to bring along to help you enjoy the day:

- Picnic blanket or picnic mat
- Camping chairs (if you have them)
- Reusable cups/water bottles
- Sun hats, sunscreen and weather-appropriate clothing
- Anything your little ones might need for a comfortable day out
- Tickets will also be available to buy on the door.
- Don't forget you can book Forest School & Art Club sessions when you arrive!

We can't wait to see you 😊

Sebastian	Year 3	Kindness and Resilience
Aidan	Year 4	Ambition and Creativity
Caitlin	Year 5	All of our values
Maahi	Year 6	Kindness and Resilience

Picture News

In the news this week

India has started one of the world's biggest counting projects, its national census. People across the country will be asked questions about their homes and communities to help build a picture of life in India today. The information collected will help leaders make decisions about services and support for more than 1.4 billion people.

Things to talk about at home ...

- Why do you think governments count people?
- What information might be important to know about a town or place? Why?
- A census counts people using numbers. What are some ways people count that cannot be measured by numbers?

UN Rights of the Child

To make sure every child can enjoy their rights, governments use a census to find out where children live and what they need. This can help governments plan things like schools, doctors and ways to keep children safe.

Week commencing 29th July ... at a glance

Monday	
Tuesday	Y4 Swimming. Y5 Mayan workshop
Wednesday	
Thursday	Sports Day
Friday	Y5 Forest school
