Message from the Head Teacher

This week, I received an email from a concerned neighbour regarding an incident during the morning drop-off. As they were carefully exiting their driveway, a child travelling on a scooter along the pavement passed in front of their vehicle at speed and narrowly avoided a collision.

While it is wonderful to see children travelling actively to and from school, I would like to ask all parents and carers to remind their children to use scooters responsibly. Children should take care with their speed, remain alert to vehicles entering and exiting driveways, and be aware of their surroundings at all times.

We are fortunate that no one was hurt on this occasion, but a similar situation could easily result in an accident. Thank you for your support in reinforcing these important safety messages with your children.

Have lovely weekend

Mr Dodd

Molly	Year 3	All of our values
Rafay	Year 4	Resilience
Eshaal	Year 5	Kindness and Resilience
Milana	Year 6	Ambition

Picture News

In the news this week

Meta has created the Muse Charm, a small device that can fit in a pocket or hang from a keyring. The Charm uses Muse, Meta's artificial intelligence (AI), so people can talk to it, ask it questions, and show it what is happening around them. It is designed for adults over the age of 18, and Meta aims to have the new device ready to buy by December.

Things to talk about at home ...

- Do you use any AI at home or school at the moment?
- When do you think technology can be helpful in our everyday lives?
- What rules might help people use an AI companion safely?
- Talk to someone older at home about what it was like to find information out before the internet, AI and other similar technologies.

Week commencing 19th October … at a glance

Monday	
Tuesday	Y1 trip to Bekonscot
Wednesday	FOLKS Movie Night
Thursday	FOLKS Fundraising Lunch
Friday	Y5 Forest schools. School finishes 3pm for half term
