House Charity Events

As you know we changed the names of the house groups over the Summer as the start of a campaign to increase the role the houses play in the life of the school. Part of this campaign is to encourage each house to take responsibility for raising funds for a chosen charity, and therefore being more aware of the world around us.

We are delighted that the children have embraced this challenge and each house has discussed and nominated an event and charity, two will take place this term and two in the Summer Term. Please look out for next week's newsletter for details from the House Captains themselves.

Little Kingshill Nursery

We are so pleased with how popular the 30-hour Nursery offering has become. Please can we remind you that if you wish your child to join the Nursery, they may do so the term after they turn 3. If it is your intention to use our service, please make sure that you have completed a registration form at the main office, so that we are aware of your requirements to avoid disappointment. If you know anyone in the area with the same intention, please do encourage them to pop in and do the same.

Message from Dolce

Please note we have received notification from Dolce to say the dessert will now be ice cream instead of blueberry muffins on Monday.

Forest School Kit : Message From Miss Anstis

I am on the lookout for any spare Forest School kit in a variety of sizes to fit Year 1, Year 3 and Year 5 children. If you could search for any old items at home such as: wellies, waterproof trousers, gloves, hats, waterproof jackets, please pass them to me, or through the school office, it would be very much appreciated. Thank you in advance.

Cross Country

We look forward to seeing our runners this Saturday come rain or shine at Hervines Park. Please remember to park in the main town centre car parks and not on the residential roads leading to the park. See you there!

Message from Wycombe Neighbourhood Team

Please see below a message which has been circulated from the Wycombe Neighbourhood Team. Despite numerous pleas from ourselves we still observe, daily selfish and dangerous driving and parking. Please consider other motorists, pedestrians and our neighbours at all times.

We all expect the volume of cars to increase when schools are open, however we will not tolerate dangerous parking when you can simply park further away and make it safer for the children.

- Please make sure to not park on bends
- Leave room for pushchairs when parking partly on pavements,
- Please do not park over resident's driveways or on double yellow lines
- Please don't park within 10 metres of a junction
- Please do not stop in the road outside the school gates to drop children off

Please be aware that dangerous parking is an offence and can receive a fixed penalty fine. If someone is parked dangerously please call 101 and take note of the registration for us to follow up.
