Cross Country

Sadly the cross country was cancelled last weekend. Thank you for your understanding in this last minute cancellation. We will hope that the weather is kinder in preparation for our next and final event.

Library books

If your child has borrowed a library book please can you ensure that they return it directly to the library on their class' day. Books returned to class teachers or via the office are not always allocated back to the correct child. If your child is unable to return it themselves for any reason, the library is open to all every Wednesday after school 3.15 - 4.15.

Library Paint

We are making an application for a charitable donation to enhance and replace the library shelves. With Mr Wilson's fabulous artwork in progress, we are confident that this will become a popular place to be amongst the children. We would love to paint the walls in a calming, neutral colour to really make the artwork 'ping'. If anyone is able to donate 5litres of paint we would be very grateful.

Christmas DVDs

Please note that Christmas performance DVDs are expected to be delivered next week and will be sent home in your child's book bag.

Career Talks

The children in Y4 & 5 enjoyed last years' careers fayre so much that we have decided to hold it bi-annually. This will ensure that all children benefit during their time at Little Kingshill while not pulling on parents time too frequently. To support this work with citizenship and encourage an awareness of the wider world, we would love to invite any parent from across the school community to visit Year 6. This would involve talking to the class about your career path to provide some inspiration of careers and industries that are currently available.
