

# WEEKLY BULLETIN

Where learning has no limits

Monday 24<sup>th</sup> September 2018

Dear Parents,

We have an exciting week ahead. In maths we are learning to use a calculator to check our mental calculations and estimations and for English we continue our journey through the magical universe of Harry Potter – focusing on writing instructions and our grammar focus is apostrophes for contractions.

Even more exciting, we have the visitors from Denmark arriving Wednesday morning, and also on Wednesday you are invited to attend the first information meeting regarding the year 5 residential trip to River Dart.

On the afternoon of Friday 28<sup>th</sup>, we are taking part in a Year 5 football tournament at Holmer Green Senior School. Please ensure your child has the correct kit in school that day and comes to school with a packed lunch. If you do not wish your child to take part, please let us know in writing by Wednesday.

## **Homework**

**Monday:** Spellings will be given out for a test on Friday. For this week, we will be focusing on the spelling words which end in –ant, -ance/ancy, -ent, -ence/-ency. The children need to write their spelling words into sentences or produce a spelling story using the words (I encourage the children to look up the words in a dictionary, if they have one to hand) for Friday. This is to be completed in your child's purple homework book.

### **Group A**

observant  
relevant  
hesitant  
tolerant  
excellent  
frequent  
confident  
independent  
confidence  
existence

### **Group B**

independence  
innocence  
frequency  
decency  
observance  
hesitancy  
regency  
attendant  
brilliance  
vacancy

**Tuesday:** English homework for this week is to write a short story about a day in the life of a primary pupil, as this will tie in with our visitors on Wednesday. If your child is unsure on this task, I am happy to go through it in school. Please complete in purple homework book, to be handed in on Thursday.

**Wednesday:** Maths homework for this week will be addition and subtraction with 5 digit numbers, using a calculator to check the answers. This is to be done in your child's purple homework book, to be handed in on next Monday.

**Thursday: (History)** Children are to make a Mayan mask, using the sketch from last week as a guide, and using recycled materials. To be handed in next Wednesday.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'M. Glargaard', with a stylized flourish at the end.

Ms. M. Glargaard
