

WEEKLY BULLETIN

Where learning has no limits

Monday 15th October 2018

Dear Parents and Carers,

In **Maths** this week, we will be about addition and subtraction using our number bond knowledge. For this we will be using a plethora of resources to support our learning. Key vocabulary that we will be using this week; altogether, bond, pair, balance, more than, less than.

In **English** we will be writing our own versions of Handa's Surprise. We will finish our story map plan using a similar structure to Handa's Surprise but change the characters and food to fit with our local environment.

In **Phonics**, we will be continuing with sounds from phase 5 and using them for segmenting, blending, reading and spelling. This week we will be learning oe, au, ey, a-e, e-e

Many thanks,

Miss J Clements
