

WEEKLY BULLETIN

Where learning has no limits

Year 3

Monday 15th October 2018

Dear Parents and carers,
This week in year 3:

English

This week the children will be completing their work on humorous, performance poetry and will move on to writing a Christmas themed story for a whole school writing challenge. Some examples will be put forward for a competition.

Maths

This week we continue to solve subtraction problems using the column method, including regrouping between columns.

Important vocabulary to note is that the children will use 'subtract' as well as 'difference between'.

The children will be learning to:

- subtract two 4-digit numbers with regrouping in ones, tens, hundreds and thousands
- use concrete representations to subtract numbers with regrouping
- show regrouping of tens to tens and ones; hundreds to hundreds and tens; thousands to thousands and hundreds
- carry out column subtraction by first subtracting the ones, followed by the tens, then the hundreds and finally the thousands

There will be NO Maths homework set as I know many of you are going away. If you have time, please continue to practice times tables and use Mathletics.

Art

This week the children will begin making masks to represent rainforest animals.

Geography

This week we are learning about the lives of the indigenous people who live in the Amazonian rainforest, how their lives compare with our own, and the challenges they face. *This is continued from last week.*

Theatre visits

We are very lucky to be participating in a Young Shakespeare Company workshop on Wednesday exploring the play 'A Midsummer Night's Dream'. This is a really fun, practical session which we will follow up with work in class and which will culminate with a theatre trip to see the production next half term.

On Thursday the whole school have a visit from our frequent visitors 'Image Theatre'. They will be performing 'Pinocchio' for us; the children always enjoy leaning the songs and singing along, while it is a lovely way to end the first half term.

Parents Evenings:-

I look forward to seeing you on either Tuesday or Thursday this week. Appointments will be held in the school hall as usual. Please can I remind you that the children are not expected to attend.

We shall finish for the half term holiday at the usual time on Friday, I hope you all have a fun and restful break!

With regards,
Mrs S Middleton.

Homework timetable:- Autumn Term

	<i>Homework out</i>	<i>Homework In</i>
<i>Each Day</i>	Reading aloud . Times Tables
