Where learning has no limits

Monday 29th October 2018

Dear Parents,

The second half term is looming over us, with Christmas coming around the corner before you know it. Therefore, we also have a full schedule ahead of us in Year 5: the Halloween disco on Thursday, for which we will be making decorations during the week, flu vaccinations, the Wylllyotts Theatre, Diwali day, and not forgetting our class assembly on the 15th. The latter is why our English for the next few weeks we will be focussing on writing play scripts using the Mayans as our inspiration. In maths this week we will continue our work on the order of operations and solving word problems involving all four operations, rounding and place value.

Group A	Group B	Group C
vicious	delicious	hyperconscious
ambitious	spacious	contradictious
precious	pretentious	heteroecious
conscious	ferocious	nonnutritious
malicious	repetitious	predacious
fictitious	superstitious	rambunctious
suspicious	precocious	luscious
infectious	scrumptious	adventitious

*All spelling patterns, which we concentrate on, have been taken directly from English appendix 1 of the national curriculum for year 5/6.
