## YEAR 6 AUTUMN TERM WEEK 8

Dear Parents,

Welcome back! I hope a fun and restful half term break was had by all.

The children will be taking part in an exciting Mini-Enterprise event on Tuesday morning. This is a special event designed to provide primary school children with a taste of life in a commercial environment whilst working competitively. All of the class will be in a team of 8 children who will be given a brief to form a company, identify positions and responsibilities within it and collectively work towards producing a pre-determined product. From this, we shall be selecting a team to represent the school at the Mini-Enterprise finals at The Cressex School later this month.

With the annual pantomime looming, the auditions for 'Cinderella' will be held on Thursday 8<sup>th</sup> November, when the children will be able to perform the script extract that they will be given this week.

Also, with Remembrance Day approaching, the children will today be starting to sell poppies around the school.

And finally, please remember that the children will be out on Friday afternoon this week to take part in an inter-school tag rugby tournament at Holmer Green Senior School so will require a packed lunch on that day as we leave during the lunch hour.
