WHERE LEARNING HAS NO LIMITS

November 2018

Dear Parent

KEY STAGE 2 CROSS COUNTRY CLUB

We are delighted to announce the continuation of our popular cross country club for years 3, 4, 5 and 6. This will run from Wednesday 9th January to Wednesday 6th March from 3.15 - 4.15pm, led by Mr Barnard.

If we receive some offers of parent help, we will be able to provide places for 40, so ensure you book early to avoid disappointment. **If you are able to assist with this club please advise the office.**

All children will need to wear suitable clothing and footwear (i.e. trainers) for the conditions since we shall be running throughout the winter and all but the most extreme weather conditions (i.e. when the ground is covered in snow or it is frozen). This will also mean that children can expect to return wet and muddy on many occasions!

There will be a charge of £1 per session. This will include affiliation to the Cross Country Association and optional entrance to the 4 inter-school races throughout the season. There will be no further charge for entering races as in previous years but you will still be required to register to attend them.

Please log on to ParentMail **by Friday 4th January** to give permission for your child to run off-site and make the £8.00 payment.

If your child has an inhaler, they will need to carry it with them and self-administer it while out on runs.

If you would like your child to walk home alone after the club, please send a letter to your child's teacher.

Yours sincerely

Mr. C. Barnard
Deputy Headteacher
