WHERE LEARNING HAS NO LIMITS

November 2018

Dear Parents/ Carers,

ENVIRONMENT CLUB

Environment Club will be running again this term for children in Years 1 to 6. The club will be held on Tuesdays after school from 3.15pm until 4.15pm.

The children will meet in the Year 1 classroom straight after school and will be brought to the top playground at 4.15pm for collection by parent/carer. Those attending after school club will be taken there.

Activities will include planting, maintaining the Eco garden area and lots more! The cost for this club for this term will be **£1.00 per session** to enable us to buy materials and equipment.

Children will need **wellies** and **gardening gloves** that fit them **each week**.

Dates for the Spring Term will be 26th February – 2 April, however there will not be a club on 5th March due to parents evening.

Please log on the payments section of ParentMail by Friday 15th February. **Places are limited this term to 20, so please ensure that you book early to avoid disappointment.**

Yours sincerely

Miss Clements
