

# WEEKLY BULLETIN

Where learning has no limits

## Week beginning 19<sup>th</sup> November

The children were very busy making robots with Numicon shapes last week and they all enjoyed the story about Wendel and his robots. Also the children found many numbers around the Nursery: on the microwave, on junk modelling boxes and on the toilet doors! Perhaps they could look out for more numbers at home?

This week the children will be introduced to a story about Hodge the Hedgehog. We will be changing the role play area into a 'Hedge house' and hopefully, weather permitting, we will be investigating hedges on the main school field on Friday morning. Please ensure that your child has warm clothes and wellies on this day. Our Mathematics activities will include sequencing a series of events; the children will sequence events in the story as well as thinking about their own daily routines.

We will continue to follow the 'Jolly Phonics' programme, and this week we will be focusing on the 'H' phoneme.

As mentioned in last week's bulletin we would like the children to have a white/yellow T-shirt and a light pair of trousers/leggings for the Nativity performance. It would be great if we could have the T-shirts handed into the Nursery by Friday this week – this will then give us time to attach the stars!

Thank you

Carol Lewis, Tracy Hester and Aneeqa Anwar
