

# WEEKLY BULLETIN

Where learning has no limits

## Week beginning 26<sup>th</sup> November

The children had great fun finding the 10 animals that were hiding the hedges last week – luckily the animals are all now safely back in Hodge's hedge house ready for the children to play with! The children also had fun looking out for different shaped leaves. We have brought some back to the Nursery so that the children can get creative!

We will be creating pictures of hedgehogs with resources such as leaves and magnetic shapes. We will be encouraging the children to select appropriate shapes to complete their creations. We will be reading part of a story about the Hedgehog's Balloon and asking the children how to solve the problem!

We will continue to follow the 'Jolly Phonics' programme, and this week we will be focusing on the 'r' phoneme.

Many thanks for handing in the tops and trousers/leggings for the Nativity performance. On Friday, Mr Fowler will be coming into the main school to take photographs of the children in their costumes. On this day, please drop off and pick up your children by the KS1 gates. We will set up the Nursery class in the DT room on this day.

As you know the children are very busy learning songs and actions for the Humph the Camel performance. The children will perform their 'dress rehearsal' to the children in the main school on Wednesday 5<sup>th</sup> December and will then perform to parents/guardians on Thursday 6<sup>th</sup> December. Please speak to a member of staff if your child does not usually attend Nursery Wednesday/Thursday mornings.

Thank you

Carol Lewis, Tracy Hester and Aneeqa Anwar
