

WEEKLY BULLETIN

Where learning has no limits

Monday 5th November 2018

Dear Parents,

Let me start with wishing you all a happy and safe Guy Fawkes night.

This week is going to be very busy for the children, our class assembly is coming up next week on Tuesday the 13th at 9.00 in the village hall (sorry about the confusion in last week's letter). Therefore, in English this week we will be putting the finishing touches on our play scripts using the Maya as our inspiration. **We kindly ask for donations of any old tops, t-shirts or even duvet covers or sheets that you may have around the house, which you would not mind being used (i.e. painted on or cut up), also any medium or large boxes that we may use to build our set.**

In maths this week we will continue or work on the order of operations and solving word problems involving all four operations, but we will also be touching on some geometry when constructing the set for our play.

Group A	Group B	Group C
official	judicial	prejudicial
beneficial	provincial	consequential
social	sequential	antisocial
facial	financial	infomercial
crucial	confidential	simplicial
residential	substantial	essential
initial	commercial	evidential
influential	interfacial	celestial
racial	sacrificial	circumstantial
special	artificial	differential

*All spelling patterns, which we concentrate on, have been taken directly from English appendix 1 of the national curriculum for year 5/6.
