Dear Parent/Carer,

The **Tech Club** is back in Spring term, designed to prepare all **young inventors, engineers, coders and creators** for the jobs of tomorrow. The club blends **STEM** education, skill building and self-confidence in a fun and exciting format using the latest cutting-edge technology so you don't have to purchase!

We are kicking off the New Year with more awesome new activities unlike anything else. Our new lessons build knowledge, nurture their passion for technology and inspire them to shape the future.

A taster of the topics we are covering in Spring Term:

VR Content Creation

Augmented Reality

Robot Programming

Curious Coding

Ingenious Inventors

Music Production

Who?

The Tech Club is for **key stage 2** pupils only.

When?

The club runs every Thursday starting from **10th January 2019, 3.15pm - 4.15pm**. For a full list of dates please visit our website. We have created this so that dates are coherent between parents, schools and ourselves.

How do I enrol?

Fees for the Spring 2019 Term: £10 per session/ **£120** (12 weeks). Enrolment and payment must be submitted online only (cash/cheque payment not accepted). To register simply visit:

www.nextthing.education/clubs

Kind regards,

NextThing.Education
