### Notes:

A very warm welcome back to the Spring Term. I hope you all had an enjoyable and relaxing Christmas Holiday.  
Please ensure that your child has their PE kit in school as normal PE sessions will resume on Monday and Tuesdays.  
Homework activities will be sent out on Friday. I will be sending out a grid of homework activities that will be a mix of maths, English, craft and investigative activities. Children are to complete one activity, of their choice, from the grid each week. I ask parents to sign and date next to the activity that your child completes and this to be handed in with the homework each week. I will sign in recognition of completion of homework and the grid will be sent out with the child very Friday so they can complete different activities for the following week.

Yours sincerely

J. Clements
