

# WEEKLY BULLETIN

Where learning has no limits

Monday 14<sup>th</sup> January 2019

Dear Parents and Carers,

## YEAR 5 SPRING TERM WEEK 2

### Week at a glance:

Maths	• We will be continuing work on fractions, moving onto converting between fractions, decimals and percentages.
English	• This week we are continuing our journey into the exciting world of Lontown, where the twins' father has gone missing during his exploration of South Polaris. The children will be investigating structure and plot, writing a letter in response to a job advertisement and using persuasive writing. We will continue to focus on the rich vocabulary of the novel and developing reading comprehension skills.

### Homework for this week:

	Homework out	Homework in
Monday	<b>Spelling</b> – Vocabulary words from the book.	Friday
Tuesday	<b>English</b> – Create a job advert, for a job you need to be done. Maybe you are looking for someone to empty the dishwasher for you, or to fold the laundry, walk the dog, clean your room or do your homework.	Thursday
Wednesday	<b>Maths</b> – fractions worksheet, fractions to decimals.	Friday
Thursday	<b>Science</b> – Imagine you had to explain the experiment we did, with the flour and dropping objects into it, to a year 3 child. You have to explain what we were testing, how we tested it and what you observed and then write it down.	Monday
Friday	<b>French</b> – French homework booklet	Friday next week

### Spellings for this week:
