

WEEKLY BULLETIN

Where learning has no limits

Monday 1st April 2019

Dear Parents and Carers,

YEAR 3 SPRING TERM WEEK 13

Week at a glance:

Maths	This week the children will be revising some elements of shape . They will: <ul style="list-style-type: none">• draw and describe 2D shapes• identify and describe 3D shapes• make 3D shapes from nets• identify 3D shapes in different orientations• sort shapes according to their properties.
English	This week we will be doing a series of English lessons linking English writing, RE and Geography. The children will be researching, discussing and writing about how easter is celebrated with different traditions in a variety of countries. Spelling assessments continue this week.

Homework for this week:

Notes:

- Big error! It came to my notice that the answers for the maths homework set last week were actually on the help sheet for parents, which was on the reverse of the problem sheet. Sorry, I was trying to save paper! If you feel they needed more, challenge the children could try to

write a word problem of their own or complete further fraction activities on Mathematics!

- I will collect all homework books in on Wednesday for marking. Please ensure they are in school for that day. English homework will be completed on the printed sheets (to be sent out on Monday).
- PE kits will go home later this week; please can you check them over the holiday, several children have mentioned that trainers and trousers are getting tight!
Also, please can I ask that all outdoor trainers are sturdy and waterproof, the children will be out on the field, even if it is damp.
- Don't forget that we finish at 1pm on Friday.

Wishing you all a very happy holiday!

Yours sincerely,

Mrs S Middleton
