

WEEKLY BULLETIN

Where learning has no limits

Monday 3rd June 2019

Dear Parents and Carers,

YEAR 3 SUMMER TERM WEEK 6

Week at a glance:

Maths	<p>This week the children will be completing their work on area and perimeter of shapes. They will be learning to:</p> <ul style="list-style-type: none">• find the perimeter of a shape by adding up all its sides• apply multiplication facts to find the sides of rectangles• find the area of rectangle using formula $\text{Area} = \text{Length} \times \text{Width}$• solve problems involving the four operations to find the area and perimeter of a variety of shapes.
English	<p>This week the children will begin a two-week unit of work on persuasive writing, focussing on the power of advertising. They will be looking at how language is chosen to create a persuasive effect, alongside images and colour. We will look at a variety of adverts and create one of our own for a chosen toy.</p> <p><i>*Please can the children bring in a toy or game to discuss in the lesson on Friday. Any catalogues or magazines featuring children's toys or products would be gratefully received too. Thank you</i></p>

Homework for this week:

	Homework out	Homework in
Each day	Read scheme book and discuss	
Monday	English Anglo Saxon rhymes and runes

* unusually	unpopular	unusual
Copy each word 3 times to practice and write 3 sentences using some of the words. *Can you see what happens to these spellings when you change the word and remove the final 'y'?	Copy each word 3 times to practice and write 3 sentences using some of the words. Make sure you know the meaning of each word; look it up if you are unsure.	Practice writing them out once every day . Write 3 sentences using some of the words.

Notes:

- Please remember that our **Forest Rangers session is on TUESDAY**- the letter that went out specified what clothing and equipment each child needs. They will need a packed lunch and water bottle.
- As mentioned above please could each child bring a toy or game to write and talk about on Friday. We also need any catalogues or magazines featuring adverts for children's products.
- If you had a problem accessing Mathletics please let me know, one or two people have noted some difficulty. I will try to find a solution and will find opportunities for the children to use it at school.
- It was lovely to see the very positive reaction to the children's work on Open Evening. I will be sending some of the fragile things home as soon as possible, if you would like to come in to collect them (avoiding the possibility of children dropping them!) please pop in after school on Tuesday- Friday.
- Please continue collect old pieces of cardboard (e.g. unsealed cereal boxes) for a craft activity.
- Sex-Education lessons will begin next week (Week beginning 10th June). If you are withdrawing your child and have not already let me know in writing, please do so asap.

Yours sincerely,

Mrs S Middleton
