

# WEEKLY BULLETIN

Where learning has no limits

Monday 10<sup>th</sup> June 2019

Dear Parents and Carers,

## YEAR 3 SUMMER TERM WEEK 7

### Week at a glance:

Maths	<p>This week the children will begin a unit on measuring length, mass and volume.</p> <p>They will be learning to:</p> <ul style="list-style-type: none"><li>• Use metres and centimetres as units of measurement to estimate and measure given lengths and distances</li><li>• Convert metres to centimetres and centimetres to metres</li><li>• Solve simple word problems involving conversion of centimetres and metres</li></ul>
English	<p>This week the children will continue their work on persuasive writing; focussing on adverts. They will be creating persuasive arguments against a product this week, trying to use language to dissuade.</p> <p>We will also be writing reports after our trip and begin planning for a class Assembly. In class we are reading a story called 'Viking at school'. The children's English homework will encourage them to think of a favourite story character and imagine what might happen if it came to school!</p>

### Homework for this week:

	Homework out	Homework in
<b>Each day</b>	Read scheme book and discuss	
Monday	English 'Bring a character to school' writing sheet (due in Friday 14th)

Copy each word 3 times to practice and write 3 sentences using some of the words. Can you group the words together that have the same plural ending?	Practice writing them out once <b>every day</b> Write 3 sentences using some of the words.

## Notes:

- Please remember the Greatmoor Recycling Centre trip on Thursday 13<sup>th</sup>. The children will be needing a packed lunch and water bottle.

As part of this trip we will be taking part in the centre's **Waste Free Lunch Challenge** to promote waste reduction.

All the lunch waste generated by our class will be weighed, that items like clingfilm, crisp packets, wrappers etc. The children are encouraged to use recyclable packaging.

Schools with the lowest weight of waste pp each year will win the challenge and a prize for their school.

I hope you will be able to discuss this with your child and support our efforts. We are going to follow this up in school too.

- Sex-Ed lessons will begin this week (Tues 11<sup>th</sup> June)

Yours sincerely,

Mrs S Middleton
